SUMMARY

Passionate and solutions-driven Full Stack Software Engineer with a Software Engineering Certificate from Rutgers University. Effective at using software engineering as a tool to solve problems and bring products to life on the internet. Looking to bring my strong work ethic and attention to detail to a company to grow and become a valuable asset.

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, Node.js, Express.js, MySQL, Sequelize, MongoDB, Mongoose, React, GraphQL

PROJECTS

Slice-n-Dice│https://github.com/clogerie92/Slice-n-Dice│https://slice-n-dice-iah.herokuapp.com/
- This application is a Pizza ordering app where users can sign up or login to place an order while the employee receives those orders.
- Created the backend with MongoDB, Mongoose, and GraphQL to create and store data.
- Other technologies used: HTML, CSS, JavaScript, Node.js, Express.js, and React

TechTalk│https://github.com/clogerie92/TechTalk│https://morning-lake-99145.herokuapp.com/
- This is a web app called TechTalk that is similar to a Wordpress site, where developers can publish their blog posts and comment on other developers' posts as well.
- Built front-end and back-end, UI design
- Technologies used: Handlebars, CSS (Bootstrap), JavaScript, node.JS, bcrypt, connect-session-sequelize, dotenv, express, express-handlebars, express-session, mysql2, and sequelize.

Cheers│https://github.com/kishanshah98/Travel-Guide│https://kishanshah98.github.io/Travel-Guide
- Designed for those who love traveling and trying out local breweries, this application allows the user to enter a city of their choice and returns a 5 day weather forecast along with the top brewery searches in the city that the user has selected.
- Wrote logic to pull and render data from API requests, UI design
- Technologies used: HTML, CSS(Materialize CSS), JavaScript, jQuery

EXPERIENCE

Personal Trainer   2017 – 2021
Crunch Fitness   Hoboken, NJ
Guided clients to their fitness goals by teaching them how to exercise safely and
effectively. Minimum requirements per month: $2k in personal training sales.
Key Accomplishments:

- Highest amount: $12k
- Was recruited to become fitness manager
